KYRO SOCCER

WINTER TRAINING 2026–2027

Program Overview

KYRO Soccer's Winter Training Program provides players with additional technical development, confidence-building, and competitive training throughout the winter season. Every player trains once per week directly with Coach Kyle. This once-weekly format is designed to complement each player's club team commitments and minimize scheduling conflicts with regular team training and matches.

This is a training-only program with 10 weekly sessions per group. Tournament participation and tournament fees are not included.

Training Schedule

*U5 is extrapolated from the August 1–July 31 age-year convention; the supplied age chart begins at U6. Birthdate ranges are based on the 2026–27 chart provided. Where age groups overlap, final placement will be determined by Coach Kyle based on age and developmental fit.

Location & Early Registration

Location: Sofive Meadowlands OR Empire Sports & Training (Lyndhurst, NJ) — to be confirmed.

Early registration is important. First, it helps KYRO understand expected player numbers and organize appropriate training groups. Second, once anticipated participation is clearer, KYRO can confirm field rentals with the facilities. Winter field space is limited, and other clubs may reserve available times as the season approaches. Families are encouraged to register promptly so KYRO has the best chance to secure suitable space.

Final location, dates, and any necessary schedule adjustments will be communicated after field arrangements are confirmed. Registration interest does not guarantee a specific venue or time until confirmation.

Training Only & Optional Tournaments

Winter registration covers training sessions only; it does not include tournaments or tournament fees. As the season progresses, KYRO may contact families about opportunities to form teams for tournaments. Any tournament participation will be optional and subject to player interest, roster availability, scheduling, and separate fees.

Registration Details

EARLY REGISTRATION — SAVE $25

Register and submit full payment by October 31, 2026 to receive the early rate: $150 for 60-minute sessions or $200 for 90-minute sessions. Beginning November 1, 2026, regular rates are $175 and $225, respectively.

To register, contact Coach Kyle directly or register on the KYRO Soccer website, where families can also view exact program dates and payment instructions.

Facility confirmation: The location remains subject to enrollment and field availability. If KYRO cannot secure a facility and the program is canceled, registration payments will be refunded in full.
